

'The Cutting Edge'

"Pushing back the boundaries in special education"

Swiss Cottage School Conference Centre, London

29/30 November 2018

This Forum is dedicated to the loving memory of

Michael Stokes

A very special teenager, Dublin, Ireland

The Forum charity for 2018 is...

Centre Azrou

Donations from the 2018 Forum will be made to Centre Alae, Azrou, located in the hills of Morocco. The Centre will offer a very special education to a group of special children who cannot access the Moroccan school system. This will include equipment, signing and special physiotherapy using ballet dance. Tutu's are being collected as I write!
