

Flo Longhorn

Author and Principal Consultant in special and multisensory education

Books for 2016-2017

SPECIAL STORIES: CALL AND RESPONSE, PLEASE!

by Keith Park, PJ Pilcher and Flo Longhorn

Special Stories contains tried and tested 'call and response' pieces. **Keith Park** is a drama teacher, well known for his writing on special needs drama. **PJ** is a dramatic, artistic young man who is on the autistic spectrum and **Flo Longhorn** is a multisensory guru. The book is lively and full of humour, covering biblical and Shakespearean drama, pantomime and dramas, with some short verses thrown in!

£ 16.00

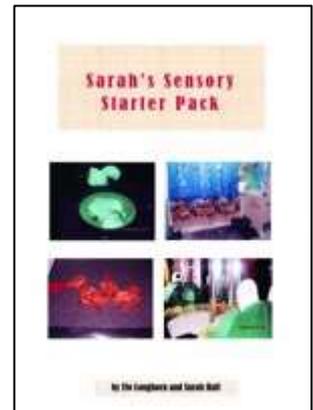

SARAH'S SENSORY STARTER PACK

by Flo Longhorn and Sarah Hall

This is a very practical illustrated book full of sensory ideas, themes, topics and fun. Sarah is an independent educator who even has her own sensory room in her house. Flo is well known for her multisensory creativity and art books. Together, they bring heaps of creative experience to startle the most jaded of educators into action!

£ 16.00

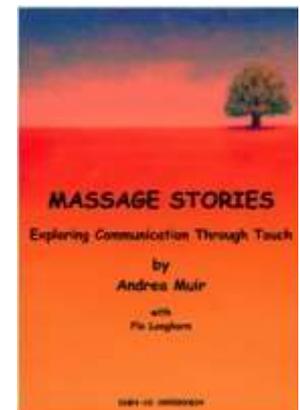

MESSAGE STORIES: EXPLORING COMMUNICATION THROUGH TOUCH

by Andrea Muir with Flo Longhorn

Loads of stories to use on the clothed body, exploring communication through touch for special learners and the young and elderly - a curriculum on the skin! There are 30 stories including 'Come Dancing', 'Ice Cream Parlour', 'Under the Sea' and 'Electricity'. Loads of ideas to extend topic work through touch. Each story offers full resources, massage movements and extensions into more general areas, all linked to the theme of the story.

£ 16.00

All Flo Publications Limited books can be ordered direct from Flo Publications by sending the order form to booksales@flopublishations.com or to our fax 0845 127 5281.

IPADS, APPS AND SPECIAL LEARNERS: A-Z OF RESOURCES

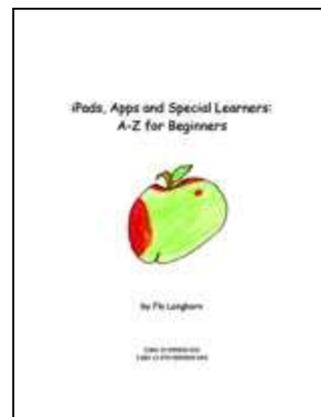

by Flo Longhorn

A beginner's treasury of suitable apps for special learners, presented at the simplest access level for both learners and educators! The book is designed for the complete beginner, but also a useful 'flick through' resource for the more advanced user. All the latest adaptations are flagged up, such as SAS designed protective covers and X-bands, enabling full access to the *iPad™* for everyone.

Hundreds of researched apps are found in curriculum chapters and in an A-Z for general use. Useful resources are included for relevant websites and You Tube videos.

The first book to show that apps are for everyone - and that means all!

£ 18.00

MULTI SENSORY ART: FLIP, FLAP, FUN!

by Clare Hobson, edited by Flo Longhorn

'Flip flap fun' presents one-sentence art ideas - playful games and sensory experiences, some five-minute fillers, and other springboards to big art projects. Although adult initiated, they are child led. Each page offers six 'flips' to creative sensory art. Mix and match creativity! Every sense is covered – creativity at its simplest and best!

£ 18.00

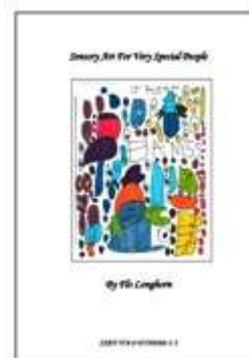

SENSORY ART FOR VERY SPECIAL PEOPLE

by Flo Longhorn

Creativity through the senses – from tasty art, smelly art, visual and sound art, to moving art or a dip into creative touch. Flo also covers a range of art techniques at the simplest levels of access in *Sensory Art for Very Special People*. The art is also for students and adults with topic work, such as famous painters or paintings.

£ 18.00

All Flo Publications Limited books can be ordered direct from Flo Publications by sending the order form to booksales@flopublishations.com or to our fax 0845 127 5281.

THE SENSOLOGY WORKOUT - WAKING UP THE SENSES!

by Flo Longhorn

This book from Flo Longhorn draws together many strands of working with very special people and the latest multisensory and neuro-scientific research. Flo brings the reader bang up to date with the latest information on the sensory systems and how they are used to sense, perceive and help us to think. It then offers an exciting new concept of awakening the brain with a daily workout based on the senses – **'The Sensology Workout'**.

This book offers the latest in sensory research, loads of simple exercises and ideas that can be used as part of a 'wake up call' or on their own.

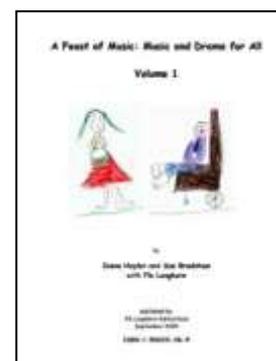

The pack comes with a CD for digital access to a range of useful resources!

£ 18.00

FEAST OF MUSIC: MUSIC AND DRAMA FOR ALL - VOLUMES 1 AND 2

by Diane Haylor & Sue Bradshaw with Flo Longhorn

Simple multisensory music dramas presented in an easy-to-read format – multi-sensory, fun and for the unmusical. These two books began life as a series of lessons in a special school, but they have been adapted to be suitable for a variety of groups of all ages. Celebrates annual events and festivals – follows themes great for topic work, and also good to 'dip in' to whatever inspires you!

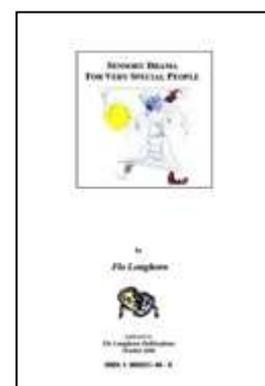

£ 17.00 per volume – or order both at one for special discounted price of £ 30.00

SENSORY DRAMA FOR VERY SPECIAL PEOPLE

by Flo Longhorn

One of Flo's earlier publications, but still a favoured resource book, full of practical ideas for simple sensory dramas which are relevant and fun for learners, including circle time dramas and literacy hour epics. Communication plays a major part in the book.

£18.00

All Flo Publications Limited books can be ordered direct from Flo Publications by sending the order form to booksales@flopublishations.com or to our fax 0845 127 5281.

Additional Multisensory Education Books by Flo Longhorn

NUMERACY FOR VERY SPECIAL PEOPLE

An in-depth resource for a multisensory approach to numeracy, for learners on the first steps in numeracy – includes hundreds of practical examples of presenting numeracy, aimed at giving depth to early levels of mathematics. Looks also at host curricula – using a subject for maths such as massage, parachute play and cookery.

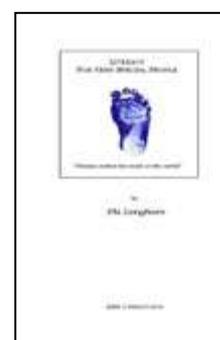

£18.00

LITERACY FOR VERY SPECIAL PEOPLE

A multisensory approach to reading, writing and communication – multisensory based, full of practical ideas such as poetry pockets, sensory dramas, creating and making books – loads of resource materials and frameworks for literacy. A classic!

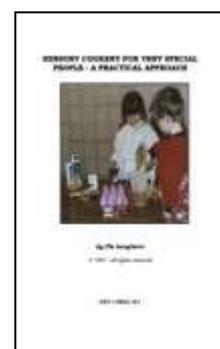

£18.00

SENSORY COOKERY FOR VERY SPECIAL PEOPLE

Very special people enjoy cooking for the same sensory reasons as everyone else. Sensory cooking - using all the senses to explore, experience and participate - is a life skill in which they can succeed and excel. Graduated cookery skills, record sheets, 'one-step cookery', resources and sensory cookery from around the world. Mix, blend and cook up a practical cookery curriculum!

£10.00

ENHANCING EDUCATION THROUGH USE OF UV LIGHT AND FLUORESCING MATERIALS

For anyone involved with a multisensory room using black light. Health and safety policies, effective use of black rooms, 'learning to look', UV in the art curriculum and academic curriculum, equipment and resources.

£10.00

All Flo Publications Limited books can be ordered direct from Flo Publications by sending the order form to booksales@flopublishions.com or to our fax 0845 127 5281.

AND STILL AVAILABLE BY POPULAR DEMAND!

Sensory Science – National Curriculum for Very Special People

A dip into science activities, science lessons and resources to inspire the special scientist.

£10.00

A Sensory Curriculum for Very Special People

A Practical Approach to Curriculum Planning

Flo Longhorn's first publication, from Souvenir Press, now a classic text still widely sought today – many educators reflect that this was 'their bible' in working with very special children!

£18.00

Religious Education for Very Special Children

A book full of ideas for multisensory approaches to religion, ideas for assemblies and religious cookery recipes from around the world!

£10.00

Planning a Multisensory Massage Programme for Very Special People

Alternative therapies are in common use in many settings. This book looks at multisensory massage, offering touch programmes and many different ideas for multisensory massage – includes health and safety, guidelines for touch and practical resources.

£10.00

Sex Education and Sexuality for Very Special People

A book produced with realistic ideas, activities, and schemes of work – covering themes including masturbation, menstruation and more.

£18.00

Prerequisites to Learning for Very Special People

A classic book, looking at the suitcase of skills needed so the learner can access learning – learning to look, attend, be part of a group, control movements and behaviours – the first steps in thinking. Provides detailed observations of these early steps to learning.

£10.00
